Don't feel like you need to follow this exactly – be creative and natural when you talk with people!

Hi _____! I hope all is well with you and your family. Do you have a minute that I could talk with you?

Thanks! I'd like to tell you about the camp I'm going to this summer and ask for your help. This summer, I'll be at Peacebuilders Camp, which is a sleep-away summer camp where I'll get to meet new people and learn ways I can change the world and create more peace & justice. I'm particularly excited about _____ [something you're excited about going to camp].

Peacebuilders Camp is run on a sliding scale to help make sure all kids are welcome at camp. I offered to help fundraise to make sure no kid is turned away because they don't have enough money. I've made _____ [peace cranes, peace fans, Peacebuilder cookies, or something else] and would love to give you one as a thank you. Would you be willing to give \$10 or \$20 (or more) to help me go to this camp and to support other kids whose families might not be able to afford it?

Here is some information about Peacebuilders Camp. [Give them a brochure and Fact Sheet] If you're able to donate, please write your contact info on this sheet so my camp director can thank you personally. [Get them to fill out the donation sheet]
