Don't feel like you need to follow this exactly – be creative and natural when you talk with people!

Hi _____! I hope all is well with you and your family. Do you have a minute that I could talk with you?

Thanks! I'd like to tell you about the camp I'm going to this summer and ask for your help. This summer, I'll be at Peacebuilders Camp, which is a sleep-away summer camp where I'll get to meet new people and learn ways I can change the world and create more peace & justice. I'm particularly excited about _____ [something you're excited about going to camp].

Peacebuilders Camp is run on a sliding scale to help make sure all kids are welcome at camp. The camp directors raise money to make sure no kid is turned away because they don't have enough money. I offered to connect them with my friends and family (like you!) who might be supportive of my camp. They are looking for donors and also offer themselves as guest speakers for groups. Would you be willing to give me your contact info so my camp director can contact you?

Here is some information about Peacebuilders Camp. [Give them a brochure and Fact Sheet] Please write your contact info on this sheet so my camp director can reach out to you. [Get them to fill out the contact sheet]
